Dear Guest

beginning August 6 you must have an EU Digital COVID Certificate showing proof of vaccination to dine indoors

Show the digital or paper QR Code on your EU digital COVID certificate*.

The validity of the EU digital COVID certificate will be proven through the «VerificaC19» app. While waiting, always remember to keep the interpersonal distance of one meter. For children under the age of 12 there is no obligation to have a EU digital COVID certificate

- D.L. n. 105 of 23 July 2021 and Prime Ministerial Decree of 17 June 2021 -

Thank you for your cooperation

* The staff in charge may ask you to also exhibit an I.D.
